Subject: GAF Merger with ELK

To Whom It May Concern:

Due to the merger of GAF and ELK in 2007, many of the GAF and ELK shingles have been discontinued and there is no direct replacement shingle available for them. Some thickness and color differences may exist. GAF does not recommend mixing the current GAF shingle with a GAF or ELK shingle made earlier.

If you have any further questions, please call 1-800-ROOF-411, option 1.

Sincerely,

*Christine Reeves*
