Subject: GAF Merger with ELK

To Whom It May Concern:

This is to confirm that GAF merged with Elk Corporation in 2007.

As a result of this merger, Elk shingles are no longer being produced and there are no exact matches due to changes in manufacturing and sourcing.

Additionally, GAF shingles currently produced should not be mixed with legacy Elk shingles.

If you have any further questions, please contact us at 1-800-766-3411.
Thank you for choosing a GAF roofing system.

Sincerely,

Christine Reeves
